

NCSA Team Edition™ lets coaches and clubs **track and guide their athletes' recruitment with FREE, easy-to-use software**. Whether you're in charge of eight or 800 athletes, Team Edition helps you provide guidance in the college recruiting process:

- See which colleges are viewing your athletes' profiles
- Track the recruiting progress of your athletes
- Access a national directory of college coaches to build your network
- Share valuable recruiting resources with athletes and families
- Get your athletes free access to a recruiting tool they'll actually use

Coaches and administrators can **use helpful Team Edition features to get valuable insights into their athletes' recruiting process**, helping them along the way. With Team Edition you'll get access to:

- **Coach dashboard:** See which colleges are actively recruiting, track athlete recruiting activity in real-time and find college programs across the country.
- **Search colleges:** Use an interactive map to see every college offering your sport. Search by division level, enrollment, majors, and more.
- **College coach directory:** Access up-to-date names, phone numbers and email addresses for every coaching staff in the country.
- **Fundraising tools:** Create and manage an online fundraising campaign for your organization with NCSA Teamraiser.
